

Plan for Completing the Undergraduate English Education Concentration in Four Years

Read this plan with the following notes in mind:

- Some courses may be taken in semesters others than those shown.
- COCC301D is a pre-requisite for E401 and E402. It may be taken as a co-requisite if necessary.
- The following course is offered only once a year: E322 (fall only). Offerings and schedules may change. Your adviser will have the most current information.
- One upper-division elective must be a capstone (E460, E463, E465, or E470). Consult your adviser for details.
- One upper-division elective must be a world literature course (E330, E332, E337, E428, E445, E455, and selected capstones that deal with world literature; check with your advisor to learn about additional courses as they are added to this list).
