The deadline for all required application documents is **February 15th** for the following academic year. *We do not require the GRE. Taking the GRE is recommended but not required only if your previous cumulative GPA is under 3.0 (4.0 = A). Our school code is 4075.

M.A. in WRSC Application Tips:

- Select as your program choice: **English / Writing, Rhetoric, and Social Change (M.A.)**.
- Request letters of recommendation and transcripts early to give you time to follow up.

The recommended writing sample is the expository or persuasive essay that forwards a topic or an argument (a discussion involving different points of view) based on evidence (often textual evidence). Although writing samples often come from academic work, this is not required—professional or other public writing may qualify. Contact the program director if you have questions. Your submission should be between 10-15 pages, citations added as needed, 12-pt. font (Times Roman or Arial), double-spaced, pages numbered, your name and title of paper on the first page, above the start of your text.

GTA Application Instructions:

Prepare all three parts of your GTA application as one document, to appear in this order:

1. **The Background Experience form**—this is a fillable form to complete and save to your computer until ready to upload entire GTA application.
2. **Your Statement of Teaching Interest**—opportunity to express your interest in composition pedagogy and practice, to discuss your teaching-related training and/or experience.
3. **Your Statement on Learning & Writing**—a short 500-700 word essay focusing on your response to one of the given topics on the application.

Our GTAs teach three sections of CO150 College Composition each year, primarily to freshmen and sophomores. Being awarded a GTAship would provide paid tuition (1st year, in-state and non-resident tuition; 2nd year, in-state tuition cost only) as well as a monthly stipend for the fall and spring semesters of the academic year.
